

## Biocide

grotamar<sup>®</sup> 82 is an innovative biocide specifically developed for modern diesel fuels and heating oil, offering high performance and low dose rates resulting in cost-effective treatment.

## Benefits

-  Quick and effective against bacteria, yeasts and moulds
-  Enhanced anti-corrosive and anti-oxidation properties
-  Excellent long-term protection against microbial material degradation for fuel tanks, pipes and engines
-  Fully soluble in biodiesel, diesel fuel and heating oil with biogenic compounds
-  Improves storage stability of diesels and diesel blends

## Physical and Chemical Properties

-  Stable at low/high storage temperatures from -18°C to +40°C
-  Shelf life: 3 years

## Applications

-  Recommended to use in:

Petrol  
Stations

Commercial  
Ships

Trucks /  
Construction  
Machines

Heating Oil

Use biocides safely. Always read the label and product information before use.
