

Biocide

grotamar[®] 71 is a high-quality biocide that offers outstanding performance at low doses for greater cost-efficiency.

Benefits

- Long-lasting results
- Effective against bacteria, moulds and yeasts
- Fully soluble in diesel and water
- No foam formation
- Anti-corrosive properties
- High stability at high and low temperatures
- Outstanding diesel protection
- Water-free

Physical and Chemical Properties

- Use temperature from -39°C (pour point) to up to +160°C
- pH-value: ~10 (1.5g/l, 20°C)
- Shelf life: 3 years

Applications

- Recommended for downstream applications such as:

Refinery

After-Market

Use biocides safely. Always read the label and product information before use
